Hotels With Beautiful Art

When traveling, many people don't realize they can experience beautiful art exhibits without stepping foot outside their hotel. From hotel hallways adorned with beautiful paintings to full art museums, these hotels come with a guaranteed beautiful view.

Palomar - San Francisco

[Hotel Palomar](#) in San Francisco is conveniently located near most of the best museums in San Francisco. In addition to being walking distance from the museums, the hotel also loans art from galleries to showcase its own art collection for busy tourists who might not make it to the
