

'Bye Lines'

July 2011

By Claudia Zaik

Get A Room: City dwellers who want a quick get-away that doesn't include airport trials and tribulations now have a luxurious alternative. Starting this month, Hotel Palomar San Francisco, near Union Square, SFMOMA and Yerba Buena Gardens, offers a playful package called "Date Night." It promises a rendezvous far from the madding crowd—yet only a hill or two away. Highlights include a fabulous room, credit toward a romantic dinner, a cocktail kit upon arrival, and a movie. For the morning after, ride complimentary bikes for a fresh vantage point of the city. Call 1-866-373-4941 or go to hotelpalomar-sf.com. (Mention rate code DATE.)
